

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

ACCOUNTANT

JOB DESCRIPTION

Employees in this job complete or oversee in a variety of professional assignments involving the design, maintenance, and implementation of accounting systems; the systematic classification and assessment of accounting data; and the preparation of related managerial and financial reports.

There are four classifications in this job.

Position Code Title – Accountant-E

Accountant 9

This is the entry level. As a trainee, the employee carries out a range of professional accountant assignments while learning the methods of the work.

Accountant 10

This is the intermediate level. The employee performs an expanding range of professional accountant assignments in a developing capacity.

Accountant P11

This is the experienced level. The employee performs a full range of professional assignments. Considerable independent judgment is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

Position Code Title – Accountant-A

Accountant 12

This is the advanced level. The employee may function as a lead worker or senior worker. At this level employees are responsible for overseeing the work assignments of other professionals or have regular assignments, which have been recognized by Civil Service as having significantly greater complexity than those assigned at the experienced level in the series.

NOTE: Employees generally progress through this series to the experienced-level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every

ACCOUNTANT

PAGE NO. 2

position are included, nor is it expected that all positions will be assigned every duty.

Reviews and prepares financial statements and accounting reports for departmental management and federal agencies.

Develops guidelines for the maintenance and reconciliation of financial data; maintains and reconciles the more difficult financial control records for expenditures, allotments, receipts, and encumbrances.

Designs, revises and implements accounting systems and procedures in accordance with generally accepted accounting principles and theories.

Conducts surveys to prepare recommendations for improvements, controls, new methods, and other changes to improve the efficiency of accounting systems.

Reviews budgets and prepares related budget documents.

Designs cost classification systems; develops guidelines to assign cost classifications to expenditures.

Determines and analyzes direct and indirect costs in order to determine the cost of finished goods.

Conducts cost studies and implements cost allocation plans.

Provides consultation to local governmental units and others regarding accounting systems and generally accepted accounting principles and theories.

Maintains records and prepares reports and correspondence related to the work.

May perform related essential functions appropriate to the class and other non-essential functions as required.

Additional Job Duties

Accountant 12 (Lead Worker)

Oversees the work of professional staff by making and reviewing work assignments, establishing priorities, coordinating activities, and resolving related work problems.

Accountant 12 (Senior Worker)

Performs on a regular basis professional assignments, which are recognized by Civil Service as more complex than those assigned at the experienced level.
